

Soji™

Seating Details

From the second you sit down, Soji brings your body and mind into sync—so you can enjoy healthier levels of performance, no matter where you work. Soji is a highly-adjustable task chair with more ergonomic options than most task seating in its class—without sacrificing comfort or design. Soji efficiently satisfies workplace strategies for better well-being.

Soji Features

Soji offers support for a wide range of people, postures, and workstyles. With its host of ergonomic features and smoothly operating adjustments Soji provides individualized ergonomic control and comfort to promote well-being.

*Optional
