

WHY BOS?

BOS is one of the country's largest commercial furniture dealerships. We provide the deepest discounting on over 250 of the industry's top manufacturers, including Haworth, a global leader.

Not only are we a 'Best in Class' Haworth dealer, but we were the world's first Haworth dealership.

With over seven decades of experience serving thousands of clients, BOS is headquartered in Roselle, IL and also has showrooms, offices and warehouses in Chicago, Orlando, Tampa, Madison and Milwaukee.

We are committed to delivering a 360° experience to our clients. Our robust team of interior designers, proven proACT process, union and non-union installation companies, 150,000 square foot warehouse and decommissioning capabilities, sustainability offering through our midmarket brand Affordable Office Interiors and full service technology integration and digital marketing agency, Workspace Digital, are just a few of ways we deliver this promise.

Our mission is to help you navigate the often complex move and procurement process... to guide you down the path that's right for your organization.

And since we're a 100% employee owned ESOP company, you work with an owner, who truly cares about your project, at every step of the way.

Mitigate rate. Maximize opportunity and efficiency. No other team is as trusted, experienced or capable of creating a workspace you love.

We look forward to earning your trust and working with you on your next space!
