PROJECT OVERVIEW

BOS partnered with Newcastle Limited helping them relocate within their building to a larger space able to support current and projected growth of the company. The new space consists of: A welcoming reception area, 60 compose workstations, 10 private offices, 5 conference rooms, open collaborative team spaces, casual and comfortable spaces for impromptu meetings, a break area with a view to the outdoors, and furniture set-ups to support group meetings and relaxation times.

PROJECT DETAILS

PROJECT SIZE

19k sq ft
