CollaborateMD
Work Less, Paid Fast!

FEATURED WORKSPACE

PROJECT OVERVIEW

BOS Orlando worked closely with Collaborate MD and their partners to create a workplace that reflects a contemporary, collaborative and professional aesthetic. BOS helped the client incorporate height adjustable desks into their private offices as well as their workstations. They also helped them create collaborative media rooms as well as some break out areas within the workstation areas.

PROJECT DETAILS

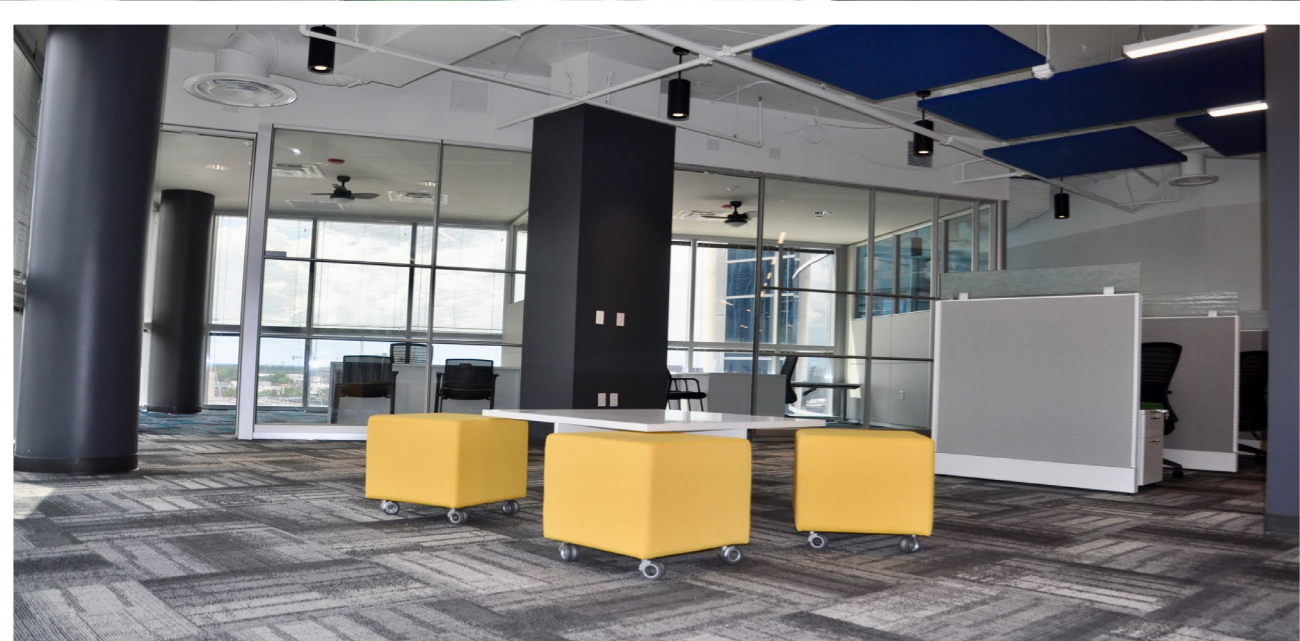

- PROJECT SIZE**
9,308 sq. ft. | Total Employees: 76 | Total Workstations: 66

May 2018

CLIENT PROFILE: Collaborate MD

Collaborate MD is constantly enhancing their innovative and intelligent cloud-based medical billing software to make sure the client's claims get to the medical insurance payer as quick as possible and get paid. They consider each customer a partner and the client can trust that they will do everything in their power to make sure their business is successful. Collaborate MD was created in 1999 to provide the small to medium practice with a software solution that truly provides a return on investment.
