PROJECT OVERVIEW

BOS worked closely with Medline to transform an existing building into a state-of-art facility providing a workspace that is invigorating and vibrant with 1464 workstations, 227 private offices and 11 director offices.

PROJECT DETAILS

PROJECT SIZE

386,266 Square Feet

KEY PARTNERS

Partners by Design, MB Real Estate, Reed Construction, Engineering Plus, Rex Electric and ESD

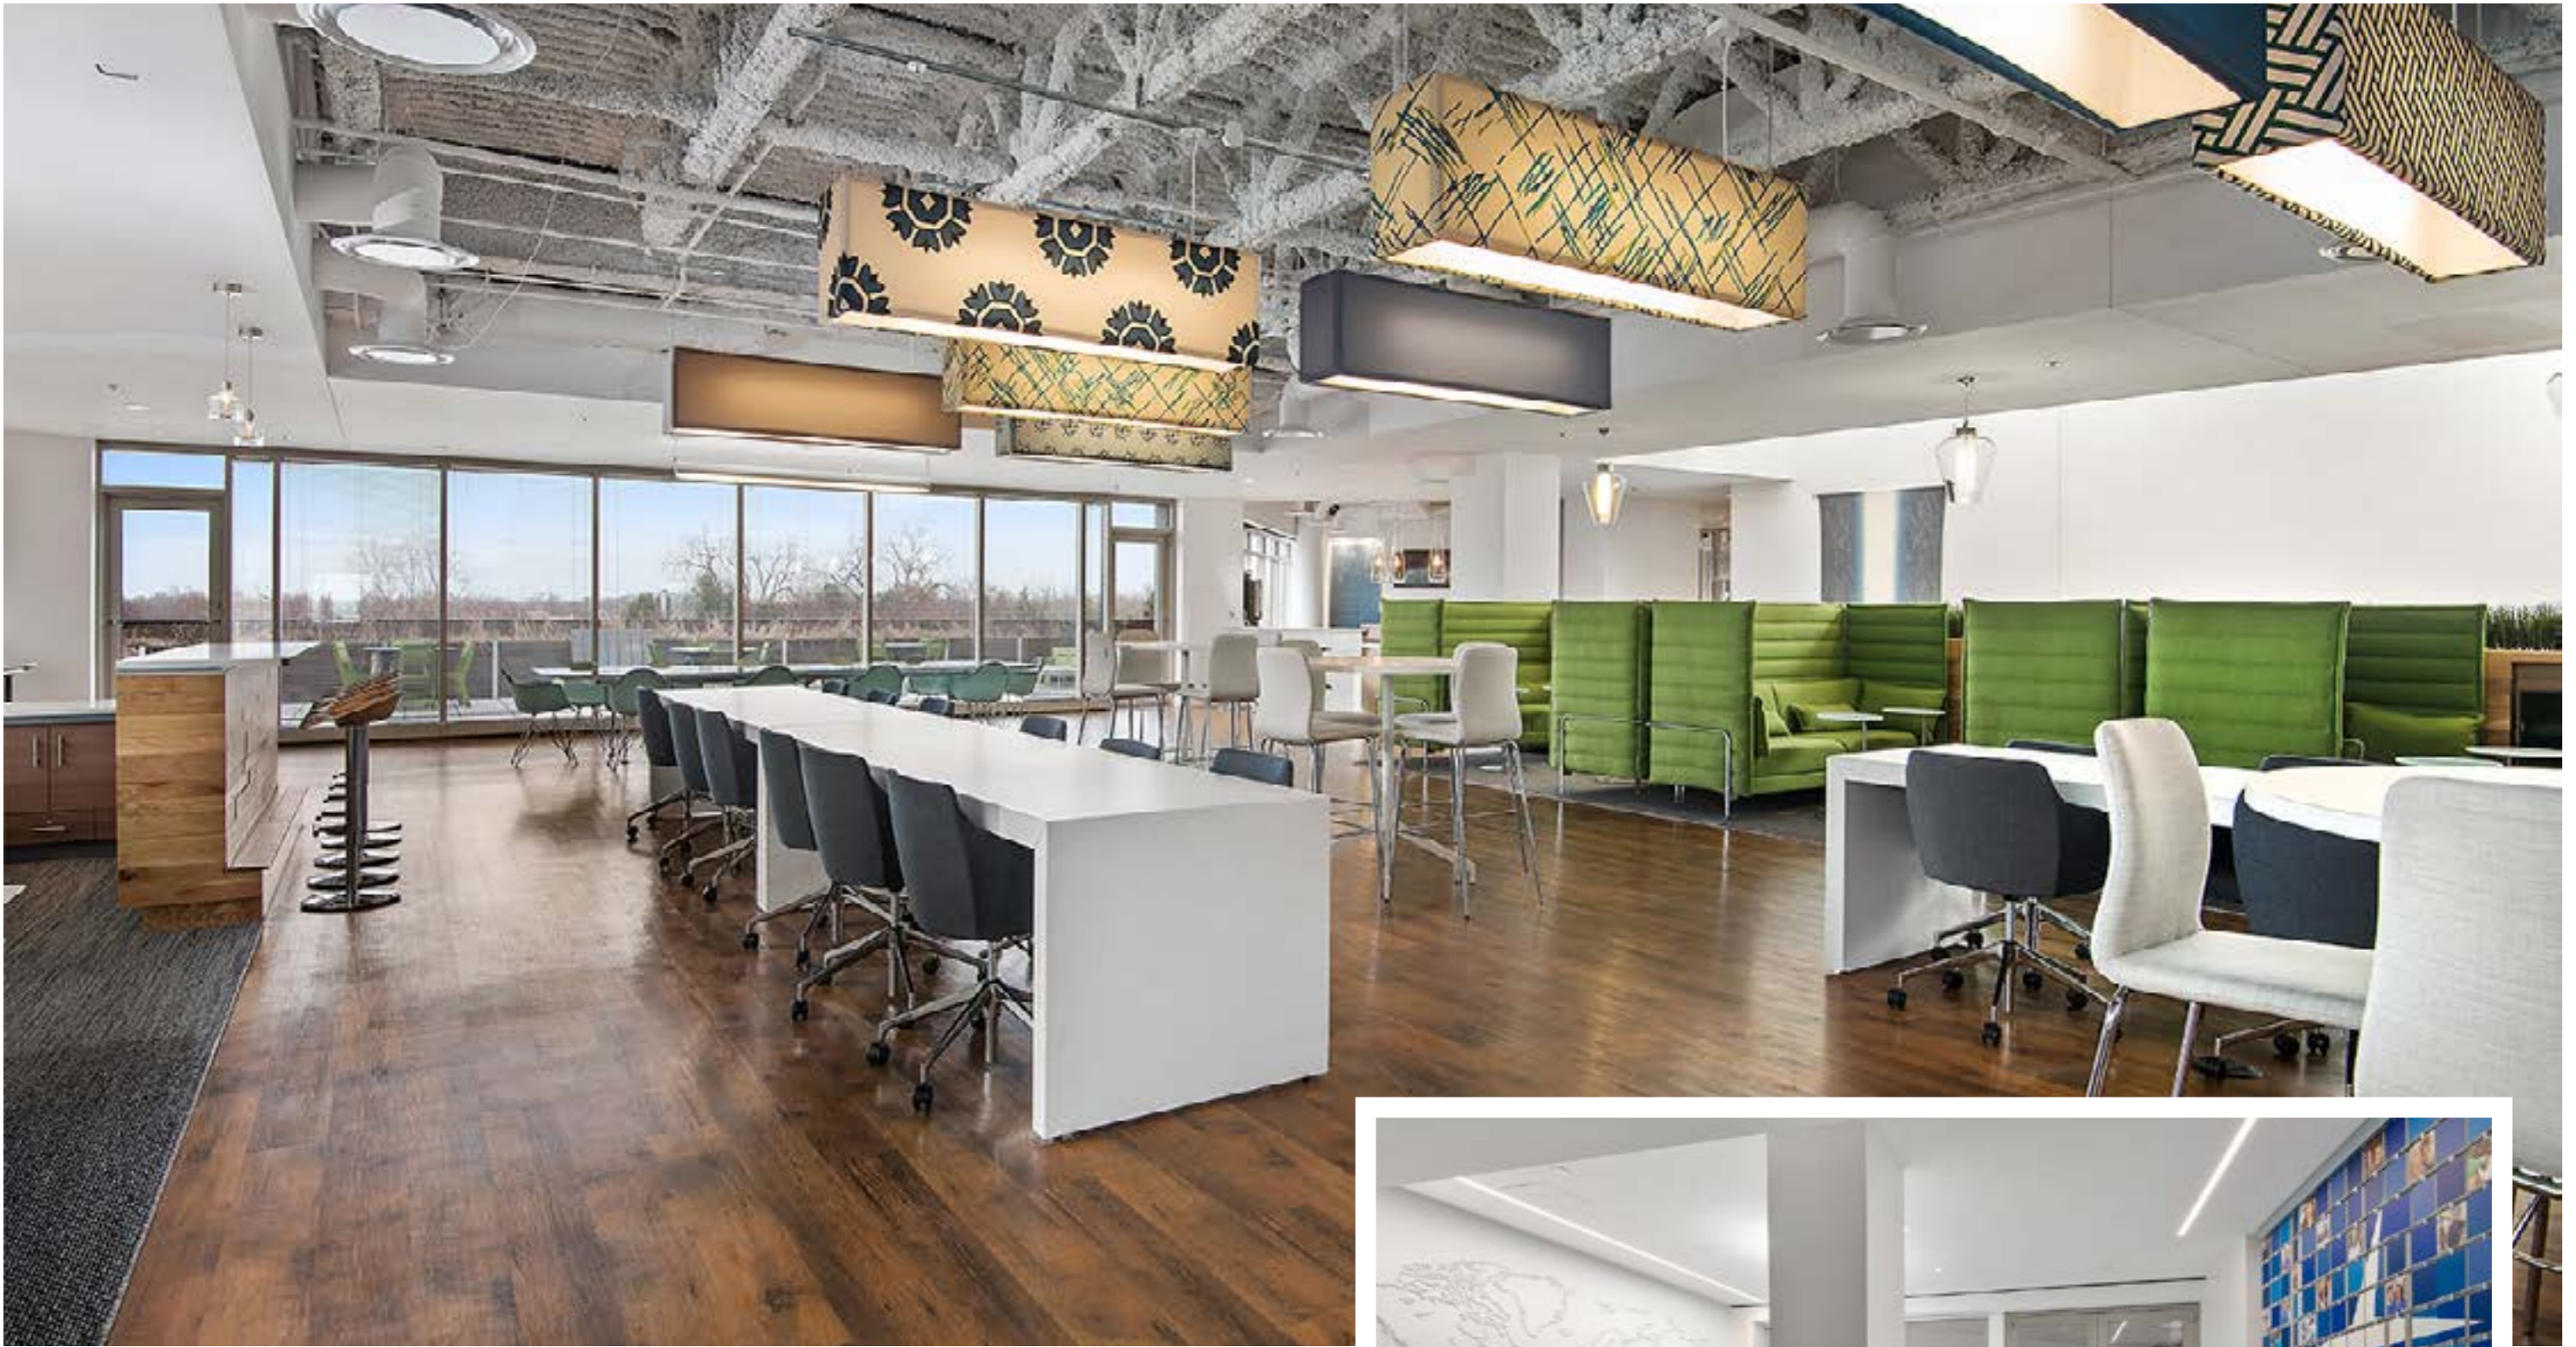

PRIMARY MANUFACTURERS

Haworth, ICF, Stylex, Nienkamper, Halcon

PROJECT DATE

August 2016

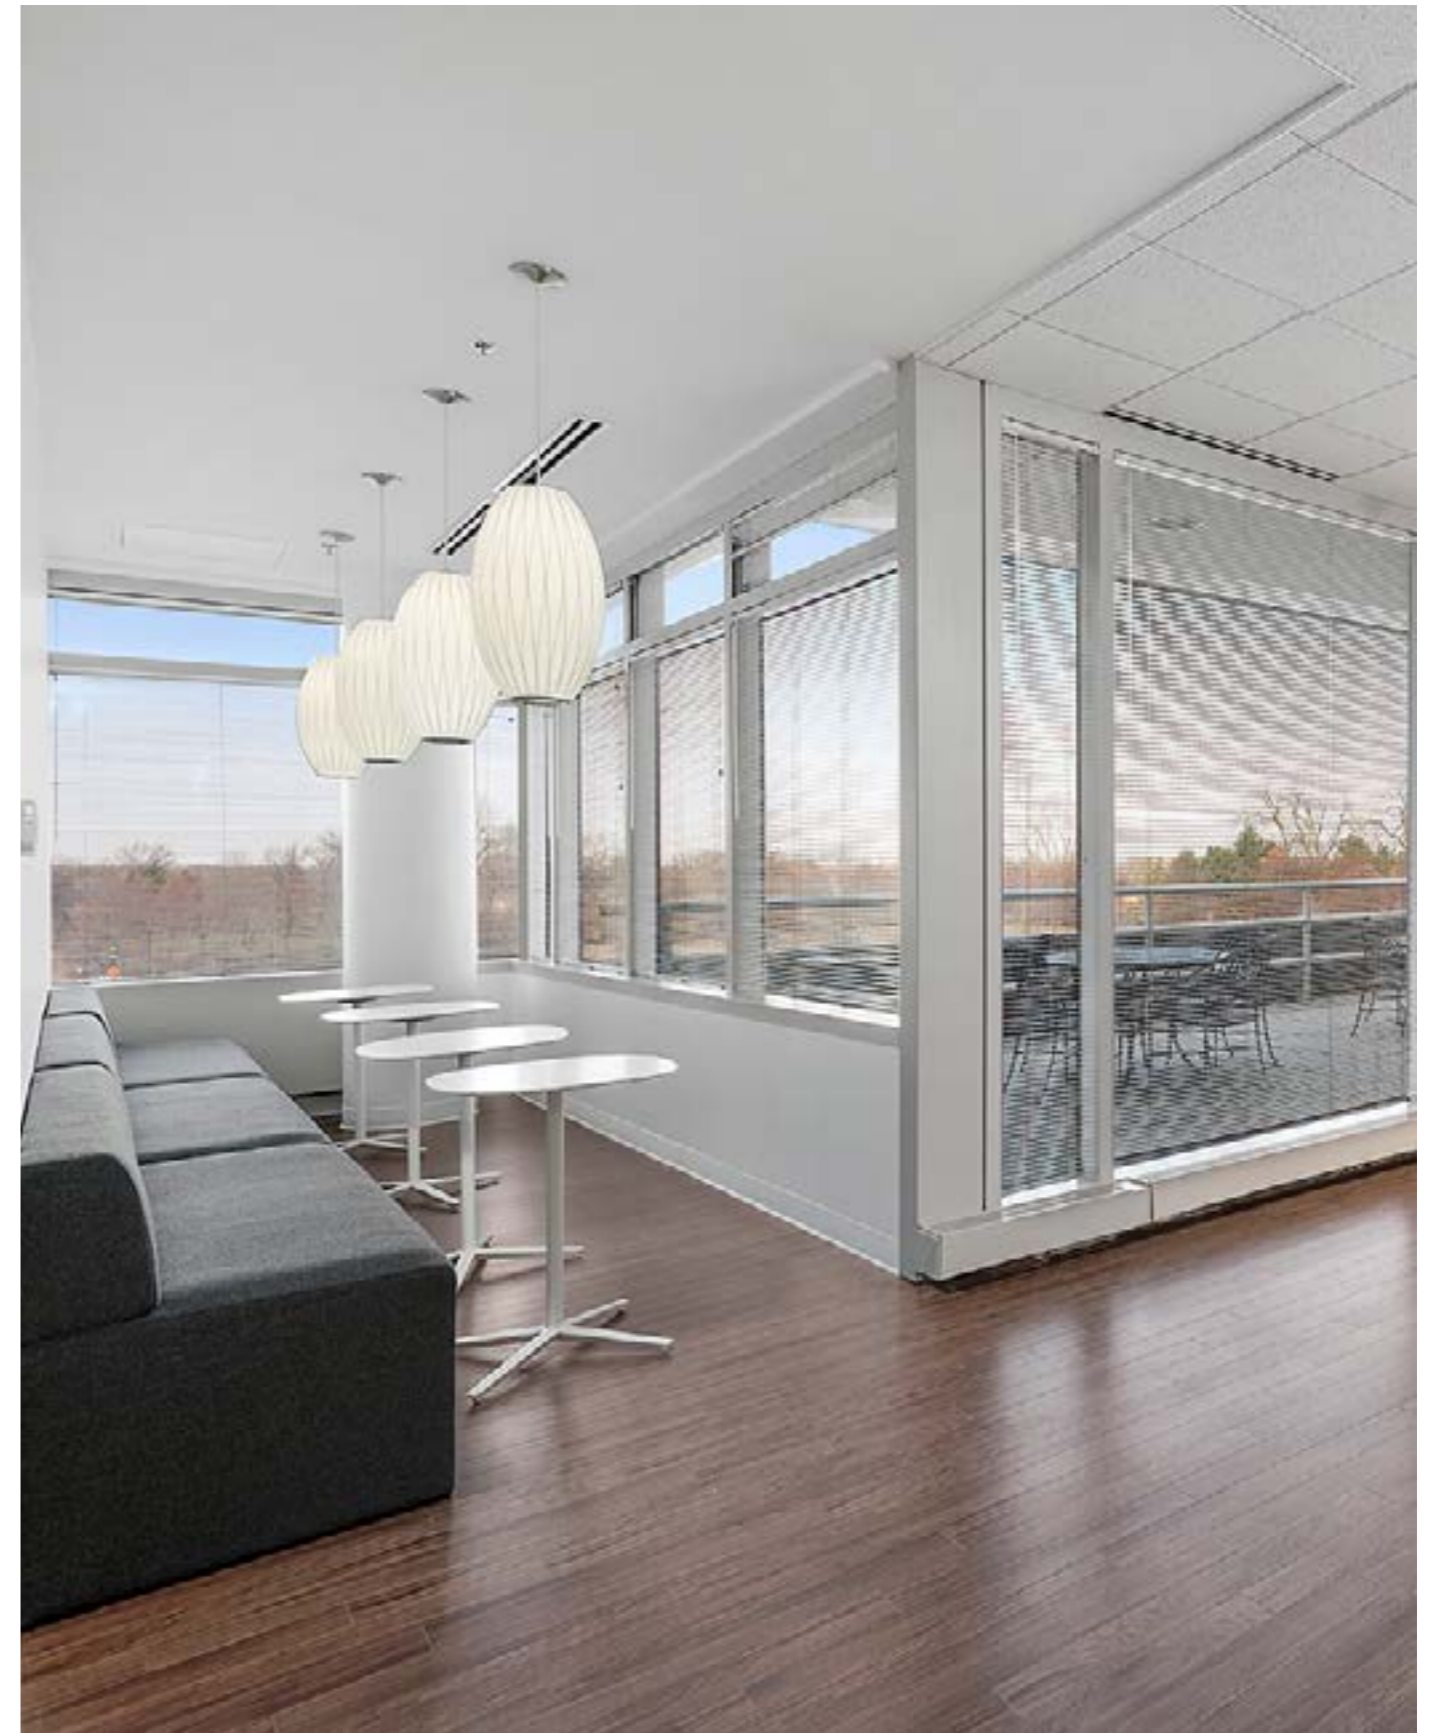

CLIENT PROFILE: MEDLINE

Medline is the largest privately held manufacturer and distributor of medical supplies uniquely positioned to provide products, education and support across the continuum of care. Our ability to bring best practices from one care setting to another — from large healthcare systems and independent physician practices to home health patients and their families, is what sets us apart.

“The BOS team could not have been a better partner for our space move. Their services and expertise are unmatched. We would highly recommend them to anyone looking for a new workspace.”

~ MEDLINE
