CLIENT PROFILE: WORLD KITCHEN

From bakeware, dinnerware, kitchen and household tools to range-top cookware, storage and cutlery, World Kitchen, LLC., and its affiliates manufacture and market brands are known and trusted around the world. A global team of 3,000 talented employees and experienced industry leaders have made these brands and products possible, and are continuing to innovate to meet the world's evolving needs in the home. We have major manufacturing, product development and distribution operations in the United States and the Asia-Pacific regions, and retail channels around the world. We are a collaborative global organization fostered by leaders committed to growth through innovative products and outstanding customer service.
