IMPACT AREAS

STRATEGY

From technology selection to marketing planning, Workspace Digital will help you maximize your resources, team and effort.

PEOPLE

Creating a digital culture at your organization and Investing in your team not only yields short-term results, but also builds a foundation for your future.

WORKSPACES

Ensure your people thrive in inspiring places to work. Physical and digital workspaces impact talent retention and acquisition, work culture and performance.

BRAND

Guided by strategy, executed by people, and with workspaces at the core, tie everything together with an optimized, comprehensive go-to-market approach.

OUR MISSION

We inspire change by creating digital workspaces that promote true team collaboration. Workspace Digital engages with our clients early in the building or moving process to help educate and guide them to the technology solutions that fit form, purpose and budget.

WORKSPACE TECHNOLOGY INTEGRATION

TECH

We are a Chicago based full-service Audio Visual and Technology Integration firm capable of executing on a global scale. Our consultative approach along with our 70-year history of delivering quality workspace solutions makes us unique in our market.

PART OF THE BOS HOLDINGS FAMILY

BOS Holdings is an ESOP, 100% employee owned, consortium of American businesses focusing on commercial office interiors. From new, used and remanufactured office furniture to professional services such as space planning, design, technology integration, digital environments and project management, BOS Holdings collectively offers complete and effective workspace solutions.

WE OWN THE RESULTS

Controlling deliverables in-house minimizes outliers, reduces risk, ensures greater flexibility and allows us to be more accurate with our pricing and timing. When you partner with Workspace Digital, you work with Workspace Digital. We are also 100% employee owned.

INSIGHT

The digital space is constantly changing as new technologies, trends and opportunities become available. To keep your team in the know, we publish a collection of original and curated content on our website.

From exclusive interviews to product spotlights, discover hand picked digital resources, tips and examples at

www.Workspace.digital/INSIGHT
