### DIGITAL TECHNOLOGY

Collaborative tools, video conferencing, wireless charging, room scheduling and all your other workplace technology needs. Trust our seasoned workspace experts to maximize digital technology in your space.

### VIDEO PRODUCTION

Fast & engaging sizzle videos, fully integrated video content series, product videos, training videos, motion design, drone videos, website backgrounds, video strategy: Harness the incredible power of our professional video services.

### 360° PHOTO/VIDEO

360° media, both photo and video is one of the fastest growing ways to show off a space, service, or brand. From interactive way-points and info-rich hot spots to fully immersive virtual reality client experience, get ready to go 360°!

### GRAPHIC DESIGN

Engaging visuals and beautiful designs come together in a variety of applications for use in both digital and print. Flyers, invitations, proposals, postcards, business cards, corporate signs, branding, brochures, magazines... whatever your needs, we can help!

### NEWSLETTERS

From single-page informative pieces to content-rich multi-page publications, a newsletter is a great way to stay relevant and communicate to both internal and external stakeholders. Our team can help you create and distribute!

### EMAIL MARKETING

Email remains one of the most effective ways to reach external stakeholders. Workspace Digital can help you design, create, deploy and measure email marketing campaigns. We can also assist with list building.

### DYNAMIC WEBSITES

Modern, media-rich and easy to maintain websites. From design to maintenance, trust all your website needs to Workspace Digital. We'll train your team or manage your site for you. Need a custom landing page? We've got you covered!

### DIGITAL SIGNAGE

Welcome visitors, recognize employees, effectively communicate and boost work culture. We'll help you create a digital space plan, select hardware and software, train your team and help you to keep your content current and relevant!

### CONTENT MARKETING

Content is King, but creating, sourcing, and/or aggregating enough of it to feed your constantly growing deployment needs is a real challenge. Tap into our creative content team and discover effective and affordable programs.

### SOCIAL MEDIA

Social media is a huge part of our lives, but tracking ROI when considering social media for business is difficult. Learn how Workspace Digital is taking a different approach to social media and see results that will leave you more than satisfied.

### BRAND IDENTITY

Your brand is the core of your marketing effort. From logo design to brand refresh, tone to tagline and typeface, we can help you position your business identity in a way that adds value to your target audiences.

### DIGITAL STRATEGY

The best way to maximize your efforts in the digital space is to cultivate a digital culture within your organization. Training, consulting, internship, workshops - our team is ready to build yours by sharing our knowledge and resources.
